# Kan Says

# Preface

The Shiji Shijia says: “Kanzi’s name is Zhe, and his courtesy name is Brant. His ancestors were from Beijing. His father was Kan, and his mother is unknown. In the year of Renwu in the year 2002, on the first day of February, Kanzi was born in a place in Fangshan, Beijing. When he was a child, he often played in the toilet and performed etiquette. When he grew up, he was a Weixue, and his ability was average; Weixue, originally written as Kanshishishi. Soyin says: “Another version is Weixue, which is consistent with Kanzi.” Now I follow it. I am a clerk in charge of raising livestock and prospering. The position is seen in Zhou Li Niu Ren, which is pronounced as Zhi (犧), and has the same meaning as Yi (牴), which is probably a place to raise sacrificial animals. This position is what Kan Zi called Chengtian. He went to Jiao Da Fu and asked Du Zi about etiquette. After returning, his disciples made progress. In the year of Wuxu in 2018 AD, Kan Zi was sixteen years old, and Hao Gong fled to Qi Jue, and Jiao Da Fu was in chaos. So he went to Qi Jue and became a servant of Basin Zi to communicate with Hao Gong. There were two events: singing and interviewing. The Duke wanted to confer the title of Ni Qi Jue, but Yun Peng refused, and the Duke was confused. There is a saying of Huang Yin. Kan Zi then left and returned to Jiaotong University. In the year of Ji Hai in 2020, Kan Zi was eighteen years old, and the Su family was strong and their ministers and students would rebel and dictatorship. Therefore, Kan Zi did not serve as an official, but retired to study poetry, books, rituals, and music, and his disciples became more and more numerous. In the year of Ren Yin in 2023, Kan Zi was twenty-one years old. There was a singing party at Beijing University of Technology, and Kan Zi wanted to go, but he did not go. There was a telegram of replying Liu Jian.” The Records of the Grand Historian said: “So the ambassador of Beijing University of Technology invited Kan Zi, and Kan Zi was about to go and offer a song, but the Qi Jue officials sent their followers to surround him, so Kan Zi was out of food among the Qi Jue.”

Anonymous said: "Philosopher Kan, there are many people seeking him, and he shares joy, sorrow and anger."

Anonymous said: “Singers seek their music, cooks seek their chopsticks, and no one has been unfairly criticized by Kan.”

Anonymous said: “When reading Kan’s words, some people read them and feel nothing; some people like one or two sentences; some people know that they like it; and some people dance with joy without knowing it. ”

Anonymous said: “Sage Kan said: ‘Make a lock’, there is no intention not to make it.”

Anonymous said: “I have read Kan’s words since I was seventeen or eighteen, and I already understood the meaning of the text at that time. The longer I read, the more I feel that it is profound. ”

# Chapter 1 Liujian

This article contains many of Kan Zhe's comments on all living beings. His words are vivid, bright and inspiring.

- 【硫碱曰：“不顺矣，请去之。” 阚曰：“大二者，课固多也。电信尤多也。”】
- Liujian says: “It’s not balanced, I hope you can delete this circle of friends.\*” Kan Zhe says: “There are too many lessons for the second year students, especially telecoms.\*”
- Explanation: Kan Zhe persuaded Liujian, who was disparaging him, with a calm tone, showing a generous and kind attitude towards things.
  
- 【阚曰：“辩实乃虚，虚乃实者，吾不知也。”】
- Kan Zhe says: “I don’t know how to tell whether the truth is false or false is true.”
- Explanation: Kan Zhe was inspired to write this famous poem on his circle of friends, which has been frequently quoted by others and has a philosophical flavor.
  
- 【阚曰：“子行矣！‘温柔敦厚阚哲小儿’。”】
- Kan Zhe says: “Get lost @Gentle and considerate little Kan Zhe.\*”
- Explanation: A fragment of speech in a group chat one day, the source of which is no longer traceable. “Gentle and considerate little Kan Zhe” was a name given to himself by a group member in honor of Kan Zhe, and his sinister words displeased Kan Zhe, who yelled at him.
  
- 【盆地曰：“星道馨之貌不堪入目。”阚曰：“噫！汝言之于馨哉？”盆地曰：“汝竖子也，知礼乎？”阚曰：“星言之，责之在其，非我也。”】
- Pendi says: “Xing said Xin is ugly.” Kan Zhe said: “Did you tell Xin?” Pendi said: “You idiot, do you know how to be polite?” Kan Zhe said: “Xing said that, it’s his responsibility, it has nothing to do with me.”
- Explanation: Speaking the elegant truth in an atmospheric tone, it can be seen that Kan Zhe disdained to talk about others behind their backs, and his ability to deal with people can also be seen.
  
- 【阚曰：“饱学之至爆矣”】
- Kan Zhe says: “Knowledge explosion.\*”
- Explanation: This sentence can be corresponding to the Don’t Go Chapter -- your words like a horse, with their own school as the center, knowledge to explode in the form of growth, this is a kind of self-confidence.

# Chapter 2 Your Mother

This article contains many single sentences by Kan Zhe, which are the essence and should not be discarded.

- 【阉曰：“汝母亡乎？亡矣。其实亡乎？实亡矣。”】
- Kan Zhe says: “Is your mother dead? Your mother is dead. Is your mother really dead? Your mother is dead.\*”
- Explanation: The use of double interrogative sentences emphasizes the tone, which means that Kan Zhe used his righteous aura to force back the enemy, although the identity of this enemy is no longer traceable.
  
- 【阉曰：“制君阳具以为锁。”】
- Kan Zhe says: “Make your dick into a lock.\*”
- Explanation: This is the quintessence of the universe! This sentence is the only one in the whole article that shows people the scientific function, the intersection of yin and yang, and the five elements. It is said: "Sage Kan said: ‘Make a lock’ has no ambition that cannot be accomplished.", "Singers seek their music, cooks seek their chopsticks, and no one has been unfairly criticized by Kan.", "Philosopher Kan, there are as many people seeking him as the hairs of an ox, and he shares joy, sorrow and anger." It is based on this that the Kan family school was founded.
  
- 【阉曰：“尔等且避，吾乃犬也。”】
- Kan Zhe says: “Everyone get out of the way, I am the dog.\*”
- Explanation: The source is completely untraceable, and without knowing the full story, we cannot comment on why Kan Zhe insulted himself. We can only speculate that he hated his own incompleteness as a human being and regarded himself as a dog to increase his bestiality.
  
- 【阉曰：“每日以罗刹轮台盘禽为戏。”】
- Kan Zhe says: “Playing Russian roulette fuck every day.\*”
- Explanation: This sentence is the words of Sage Kan releasing his desires, which can be connected with “I am a dog”, which has a state of unity between man and nature.
  
- 【阉曰：“汝未视谁为群主乎？”】
- Kan Zhe says: “Don’t you even look at who is the group leader?\*”
- Explanation: This is a move to consolidate the self-centeredness of the Lord, as the Shahada says, "الله رَسولُ مُحَمَّد الله إِلَهٌ لَا", which can be understood as the shadow of “there is no god for all things, only Kan Zhe” in Kannology. In Kannology, only Kan Zhe, the Lord of all things, is qualified to be the “man-made God”.

- 【阉曰：“吾与汝母之戏甚逍遥自在。”】
  - Kan Zhe says: “I had a lot of fun playing with your mother.\*”
  - Explanation: Kan’s happiness is not really happiness, it means that all things are not the master, and I am the happiness of the masters of all things. Mother represents the mother of heaven and earth, and Kan is the spirit of all things.
- 
- 【阉曰：“汝将禽犬，待其粪出，汝食之。若其便溺失禁，汝饮其溺，以免口干。原汤化原食。”】
  - Kan Zhe says: “You go fuck a dog, fuck it until it poops, and then eat it yourself. If it becomes incontinent, drink some of its urine to keep your mouth from getting dry. The original soup helps digesting the original food.\*”
  - Explanation: Later included in the Your Mother chapter, Kan Zhe is the embodiment of desire, hoping to use his desire to intersect with the heaven and earth, but he turned against the heaven, drank urine and ate feces, which is the Counter-question of the rebellion of rebellion in Kannology philosophy, that is, rebellion itself. There is also an art form that abandons nihilism and uses the shortcomings of Dadaism itself to construct: non-behavioral text art. It makes people laugh at the first sight, and also makes people reflect on the logic of the reversed operation of society caused by ethical and moral rebellion.
- 
- 【阉曰：“孰当与吾共度七夕佳日乎，非男神女神，原神是也。”】
  - Kan Zhe says: “Who will I spend Chinese Valentine’s Day with today? ☐ Handsome boy ☐ Nymph ☒ Genshin.\*”
  - Explanation: Kan Zhe said that Genshin Impact should not be activated, which is a secular view of theology. Here, theology itself is used to satirize theology, which is a kind of irony.

# Chapter 3 Don't Go

This article is a warning to future generations from Kan Zhe, to help them overcome temptation.。

- 【阉曰：“莫行癫狂之事。”】
- Kan Zhe says: “Don't go crazy.\*”
- Explanation: With just a few words, Sage Kan reflects his concern for his disciples' mental state, in order to remind everyone that mental and physical health are equally important.
  
- 【阉曰“哈桑之眸未尝不明，吾之过也。”】
- Kan Zhe says: “Hassan's eyes are not dim, it's my problem.\*”
- Explanation: Judging oneself by others proves that Kan Zhe's "self-cultivation" is to restrain oneself. No one is a saint, and no one is without fault. Kan Zhe immediately realized his mistake after discovering it, and deleted the statement. There is still a temperament of “being cautious when alone”.
  
- 【阉曰：“吾将戮此人与其母。”】
- Kan Zhe says: “I'm going to kill this guy and his mother together.\*”
- Explanation: His indignation is like the rage against his enemies that no one can match. Behind his gentle and easy-going appearance, he also has a tough and upright side that makes people look up to him, marvel at him, and feel that they are beyond reach.
  
- 【阉曰：“吾欲观汝二人行周公之礼。”】
- Kan Zhe says: “I want to see you two having sex.\*”
- Explanation: “The courtesy of Zhou Gong” is an act of sexual intercourse. Unlike the previous article, this article reflects on the intercourse between people and uses the rationality of divinity to observe the sensibility of animality, which is quite profound.
  
- 【阉曰“急甚至卵乎？”】
- Kan Zhe says: “What damn you hurrying about.\*”
- Explanation: Direct exaggeration, vividly expressing Kan Zhe's calm exhortation to his disciples. It is inappropriate to be anxious.
  
- 【阉曰：“当诛。”】
- Kan Zhe says: “slaughter.\*”
- Explanation: The source of this quote is untraceable and seems to have been misinterpreted by others. If it is directed towards an enemy, it would be a deep hatred of blood feud, which is worthy of praise and tears.

- 【阉曰：“汝言似马乎！竖子莫言蛮夷!”】
- Kan Zhe says: “What the fuck are you talking about? Don’t make foreign farts.\*”
- Explanation: This is another major feature of Kan Says: the display of xenophobic ideologies. Because of this nationalism, Kan Zhe developed his own science instead of learning it from foreigners first. This is also the reason why Kanology of thought is little known to outsiders.
- 【阉曰：“重塑形象之权乎？非也，是重塑令堂之阴宫矣。”】
- Kan Zhe says: “The right to reshape a statue? Reshape your mom's pussy.\*”
- Explanation: Not a single word has been changed in the translation. The word "对" is a homophone of "的", which means to rebuild the feudal ruling status. Later, it is reversed to deny its ambition and return to natural desires.

# Chapter 4 This Thing

This is a special article with a long monologue, which is Kan Zhe's heartfelt comments on current affairs.

Everyone has different evaluations, so I will not comment on it separately here.

- 【**阉曰**：“此事诸君莫管，吾之所为实吾之所乐，吾知是失适，但吾甚乐为之，然吾非乞汝一人之赞，广而求之也。而乞赞之为未有失于道德，更无触刑律，汝若有赞欲求亦可，吾并非拒之。吾欲明言，吾当日确甚乞之，乃至学宫同窗与书院之师，及至五百有余，然也，吾之颜面未尝不厚，甚至以急报至数人，吾甚知是实乃吾之过，故吾望乞恕罪于众人，非戕不能报，然应乞之时吾亦当乞之。”】
- Kan Zhe Says: “Don't bother me about this matter, I can do whatever I want. I know this is not a good thing, but I just want to do it. I'm not asking for likes just from you, I'm sending it to a group of people. I just want a few likes, but I'm not trampling on any moral standards, let alone breaking any laws. You can ask me when you want it, it's not that I won't give it to you. Let me be frank, I did ask for a lot that day, even my university and high school teachers I asked for, it must be more than 500. Yes, I'm so shameless about this matter. I even called some people specifically to urge them. I can apologize to those who were harassed by my calls, because it was indeed my fault, I shouldn't make random WeChat calls. But I still have to ask when I need it.\*”
- 【**阉曰**：“吾实妒之，朕数日出游，即欲之赞者多也，恨予竖子未以次皆点头行礼鞠躬，有何谓乎？汝可不赞，吾莫能强之，之中多人未赞，而吾未言半字。及至尔多人乎转发助力拼多多，此于吾之赞应乃小事哉。且吾信夫多人以时而发，以辰而圈，仅为获众赞。则吾仅言之于众耳，无他。况吾非皆以乞赞，仅乞之于几条而已。以其足以为众所赞之故，尤吾录制感谢之条。”】
- Kan Zhe says: “Yes, I am fucking jealous. I went out to play these days just to get a lot of likes. I wish all of you would give me one like. What's wrong with that? You can choose not to like it. I didn't force you. Many people didn't give me one like, and I didn't say anything. Besides, aren't there many of you who repost Pinduoduo's support everywhere? It shouldn't be a big deal if I want a like. Moreover, I believe that many people will post pyq at a certain time just to get more likes. Then all I did was make this matter clear, which was really nothing. Besides, I don't want likes for everything. I just want a few. It's because I think those posts deserve to be liked by more people, especially the one thanking me for recording.\*”

# Chapter 5 Guiyu

There are many dialogues, some are eternal absolutes, and some are naturally generated emotions. Most of them are summarized later.

- 【归羽曰：“为人所进出之门，闭也。为犬所进出之穴，开也。一声高呼，闻之曰：”  
阍曰：“臭鸡巴”】
- Guiyu said: “The door is closed for people to come in and out, and the hole is open for dogs to crawl out. A voice shouted: \*” Kan Zhe said: “Stinky dick\*”
- Explanation: This is because Kan Zhe is dissatisfied with the oppression of ordinary people under the contemporary bureaucratic system, and has also personally experienced the financial plunge, so he naturally gave rise to such a passionate and short criticism. He has the spirit of General Ye Ting in “Prisoner's Song”.
  
- 【阍曰：“气至自教室出而狂踹茅房之门，辱其亲娘，吾将憋殆与尿也。其母之阴户是也。此非表意，实乃以某事整至无语耳。”】
- Kan Zhe says: “I was so angry that I ran out of the classroom and kicked the toilet door like crazy... I was really fucking dying from holding my pee, damn it. I don't mean it literally, I was speechless because of something... \*”
- The author uses objects to describe people and scenery to express emotions, and uses synesthesia to express feelings. In the end, he does not explain what the “speechless thing” is, which creates suspense, makes people think deeply, and triggers associations.
  
- 【阍曰：“洒家将汝高擎而起。”】
- Kan Zhe says: “I will lift you up high.\*”
- Explanation: There is no need to use humble words, which also means respecting others. With this contradictory state, Kan Zhe puts his disciples on the same dialogue plane with him, and teaches others to respect others while also loving themselves.
  
- 【阍曰：“磨刀霍霍向汝母也。”】
- Kan Zhe says: “Sharpening the knife to attack your mother.\*”
- Explanation: Kan Zhe's words are mostly directed at the enemy, using “your mother” to represent cattle and sheep, and there is sarcasm as well as joy after defeating the enemy.
  
- 【阍曰：“汝母之尸分矣。”】
- Kan Zhe says: “Your mother was dismembered.\*”
- Explanation: This is a manifestation of coldness and strong psychological quality, which also generates a peaceful and hateful mentality.

- 【阍曰：“汝之言论如屁，汝之令堂将终。”】
- Kan Zhe says: “Your words are like farts, your mother is going to die.\*”
- Explanation: The parallelism and interesting rhymes make Kan Zhe's debate more credible, no less than quoting from classics.

# Chapter 6 Miscellaneous

Super long article argument and refutation creation

- 【阍曰：“吾操汝母之臭穴，汝狗篮之属，与吾父何干，而敢哔哔？吾操汝母时，何不射汝于墙？谁借汝胆，敢与吾对骂？汝母未阻汝言，称吾为汝父耶？吾一脚踹开汝母之穴，令其如汝面之宽。汝母追我三街，言吾貌肖汝父，吾将汝母挂于树。汝无肛，以口厕屎，废逼之徒。吾踹烂汝母之穴，野狗尚舔之。汝母之骚，其穴之臭，吾操之甚矣。吾操汝母时，汝父旁观，赞吾操得好，令汝母愉悦。汝知为何？因吾切汝父之阳痿鸡巴矣！汝废物狗篮，犹欲骂人？吾操汝母，汝全家爆炸。舅病房高歌，祖灵堂酒会，姑丧宴烤尸，侄送葬摇滚。汝母灵车漂移，汝父坟头蹦迪。吾以汝父骨灰拌饭饲汝，祖坟歌会，宗庙拍片，尸块养猪，脑浆浇花。全家灵堂派对，葬礼庆典。吾踩汝母棺板冲浪，挂树上嘿嘘，炸汝母一脸淫水。汝母之炸，非肉崩，乃吾精与汝母淫水混之。懂否？狗篮，无能勿出丢人。汝母卖淫易乎？告汝母，上次险死其手，因汝废物，吾怜之，欲办年卡。汝母夸汝能事，与吾聊汝母之穴？汝母已炸，淫水精液满地。汝觉吾骂汝爽乎？汝生时，汝母喷水，其穴罕见，烂骚臭螺旋蝴蝶之穴。四瓣乃吾以汝父细鸡巴切之，痛而呼爽，高潮喷水。吾放吸血虫于汝母之穴，令其常爽，且穴变大变软。操汝肥逼，废物狗篮，继续与吾跳。汝觉痒乎？汝母之穴更痒，四瓣三眼，吾轮操之。汝妻嫌吾操汝母多，不悦。汝遗传汝父阳痿，何不学其为太监？吾切汝父之鸡巴，汝欲吾踹之乎？吾练腿法，为国争光，汝废物亦当为人民做贡献，让吾踢两脚？吾助汝寻人生价值，用否？小废物，小逼崽子，骂人不会，狗篮之物。吾操汝母，汝乃吾野子，忘汝父如何教汝乎？”】
- Kan Zhe said: "I fucked your mother's stinky cunt, your mother's cunt dog basket, what are you talking about with your father and me? Why didn't your father cum on you on the wall when I fucked your mother? Huh? Who gave you the courage to curse me? Didn't your mother stop you from saying that I was your real father? I fucked your mother's cunt, kicked your mother's cunt into pieces, and your face is as big as a plate now. Do you fucking know why? Because I cut off your dad's fucking impotent dick! Fuck your mother's useless dog basket, you still want to curse? You loser, I'm going to fuck your dead mom and your whole family, karaoke in your uncle's ward, cocktail party at grandma's funeral, roasting corpse at aunt's funeral, rocking at the funeral, drifting in your mom's hearse, dancing at your dad's grave, eating rice with your dad's ashes, singing at grandpa's ancestral grave, filming at your brother's ancestral temple, raising pigs with your sister's corpse, watering flowers with your wife's brain, family party at the funeral, celebration at sister's funeral, making soup with your brother's bone marrow, blooming flowers from your aunt's coffin, surfing on your mom's coffin, hanging your mom on a tree Hey, hush Your mother exploded, and your father's face was covered with your mother's cunt juice. Your mother's big cunt exploded, and what burst was not meat, but my father's sperm and your mother's cunt juice. Do you understand, you dog basket? Don't come out and embarrass yourself if you don't have some skills in the future.

Is it easy for your mother to sell her cunt? You told your mother that she almost fucked that guy to death last time because you were such a loser. I felt sorry for her and I was going to apply for an annual card. Your mother still had to praise you for being able to do things. You fucking rotten cunt, and you still fucking talked to me about your mother's cunt? Your mother's fucking exploded, and my sperm and your mother's cunt juice were everywhere. Do you think I feel good when I scold you? I tell you that your mother's fucking cunt was fucking squirting on the day you were born. In fact, your mother's cunt is quite rare. It's a fucking rotten cunt, a stinky cunt, a spiral cunt, and a butterfly cunt. Your mother's cunt has four fucking petals, which I cut with your father's tiny cock. It hurt so much that your mother screamed in pleasure. , and you even squirt during your fucking climax. \*: The translations are all based on the real words.
